

GLOBAL UBT FEST 2024

The purpose of JUNIOR HUB is playing, learning, and having fun through creative and attractive activities in various fields, within the UBT Campus and in other outdoor environments, where students will be able to explore, learn, and have fun.

The expected results are:

- Experience learning through games and activities.
- Demonstrate basic skills in art and music.

GLOBAL UBT FEST 2024

- Create basic games in SCRATCH and explain the creation process.
- Develop speaking skills in English and German Language.
- Explore nature and make it part of art through painting.
- Share experiences with peers and demonstrate social skills in a group.
- Follow instructions and demonstrate teamwork skills.
- Demonstrate skills in using technology for topics and content in various fields related to everyday life.

Target groups: The JUNIOR HUB will include children aged 6-12 years.
